Investment Analyst, Real Estate

London, United Kingdom

January 2026 – Present

- Played a pivotal role in the origination, underwriting and execution of commercial Real Estate Equity investments across office, industrial, hospitality and residential sectors, managing transactions through the full deal lifecycle from sourcing, through asset management to disposal.

Selected Investment Experience:

- Value Add: Acquisition of Multi-let Office building in Central Manchester with a GDV of £17.5m:**
 - Built a dynamic acquisition financial model incorporating tenant-by-tenant cash flows, void periods, ERV growth assumptions and phased capital expenditure to evaluate risk-adjusted returns across base case and downside scenarios. Presented Unlevered IRR, Equity Multiple and Net IRR after Equity Promote Waterfall.
 - Prepared the Investment Committee paper with detailed sensitivity analysis, comparable transaction benchmarking and market research to support the investment recommendation and secure approval.
 - Coordinated due diligence workstreams across external agents, solicitors, building surveyors and environmental consultants, managing data room preparation and investor-facing materials to tight transaction timescales.
- Opportunistic: Creation of Student Housing Platform (GDV: £26.7m), which acquires portfolios of HMOs in key Russell Group cities:**
 - Underwrote a portfolio-level acquisition strategy across multiple residential assets, modelling unit-level income, refurbishment capex and stabilised yield on cost to determine platform viability and optimal capital deployment
 - Modelled and provided research on tax-efficient PropCo/SPV/HoldCo structuring options encompassing CGT vs corporation tax treatment, capital allowances, SDLT mitigation and SIPP/SSAS eligibility.
 - Evaluated share sale vs asset sale disposal routes and assessed private REIT conversion feasibility, presenting scenario analysis to senior management to inform the optimal hold and exit strategy.
 - Conducted market research on local supply-demand dynamics, rental comparables and demographic trends to validate underwriting assumptions and inform asset selection.
